# Arist Dethleffs invents caravanning in 1931.

Determined to make sure his family could always join him on his business trips, Arist Dethleffs invented the first "camper car" – and at the same time, a completely new type of holiday. In so doing, the horsewhip and ski pole manufacturer pioneered a success story that continues to this day.

Not without my family!

## An idea enters mass production.

Wherever the Dethleffs family appears with their caravan, curious onlookers surround it. The prototype meets with great interest and thus attracts more and more followers. The idea becomes a company – the company becomes an entire leisure and holiday industry.

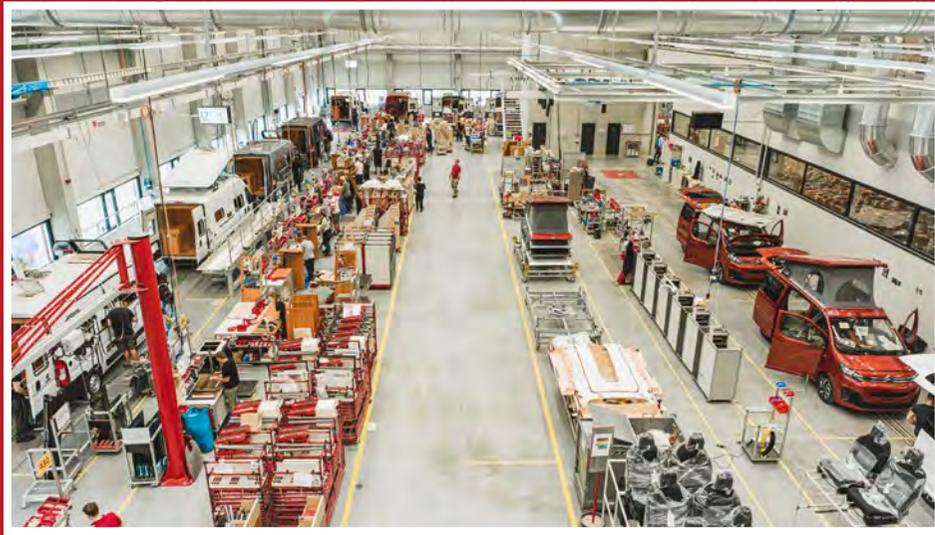

ARIST DETHLEFFS TRANSFORMED AN IDEA INTO A MOVEMENT. HIS TRAILBLAZING FRAME OF MIND LIVES ON AT DETHLEFFS, INSPIRING MILLIONS IN THE DECADES THAT FOLLOWED.

*Dethleffs*

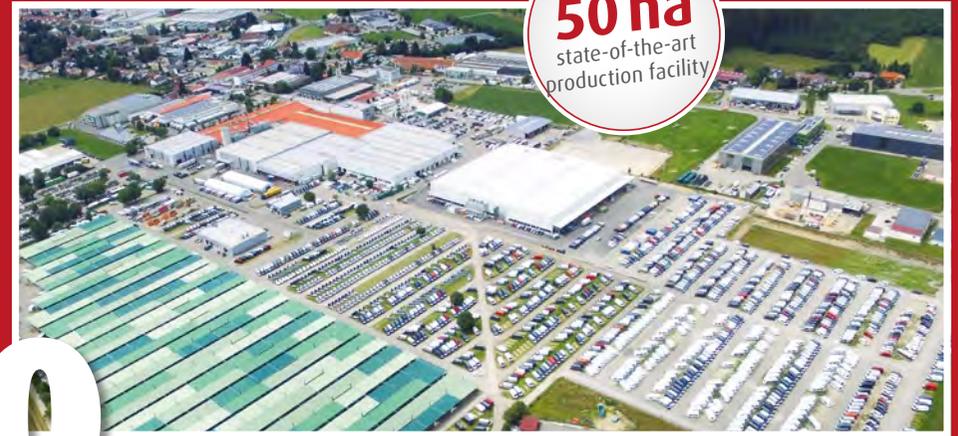

90 years of experience, reliability & service.

Welcome to the Dethleffs feeling.

A Dethleffs motorhome feels right from the moment you lay eyes on it. Because the quality of our products is just as appealing as the price. With “service” that means doing whatever it takes to provide our customers with unique mobile holiday experiences. And a product range that offers the right vehicle for every individual situation and requirement.

50 ha  
state-of-the-art  
production facility

A pioneering spirit that shapes the future.

Dethleffs develops and builds caravans and motorhomes at its “Isny im Allgäu” location. However, other vehicles are also manufactured there. For over 17 years, Dethleffs has also built camping conversions for camper vans and urban campers at this factory – with a professional approach and the finest craftsmanship.

> 100

Dethleffs caravans, motorhomes, camper vans and urban campers are characterised not only by the highest quality standards, first-class workmanship and customised equipment. Without exception, they also ensure greater enjoyment on the road and a relaxing camping holiday.

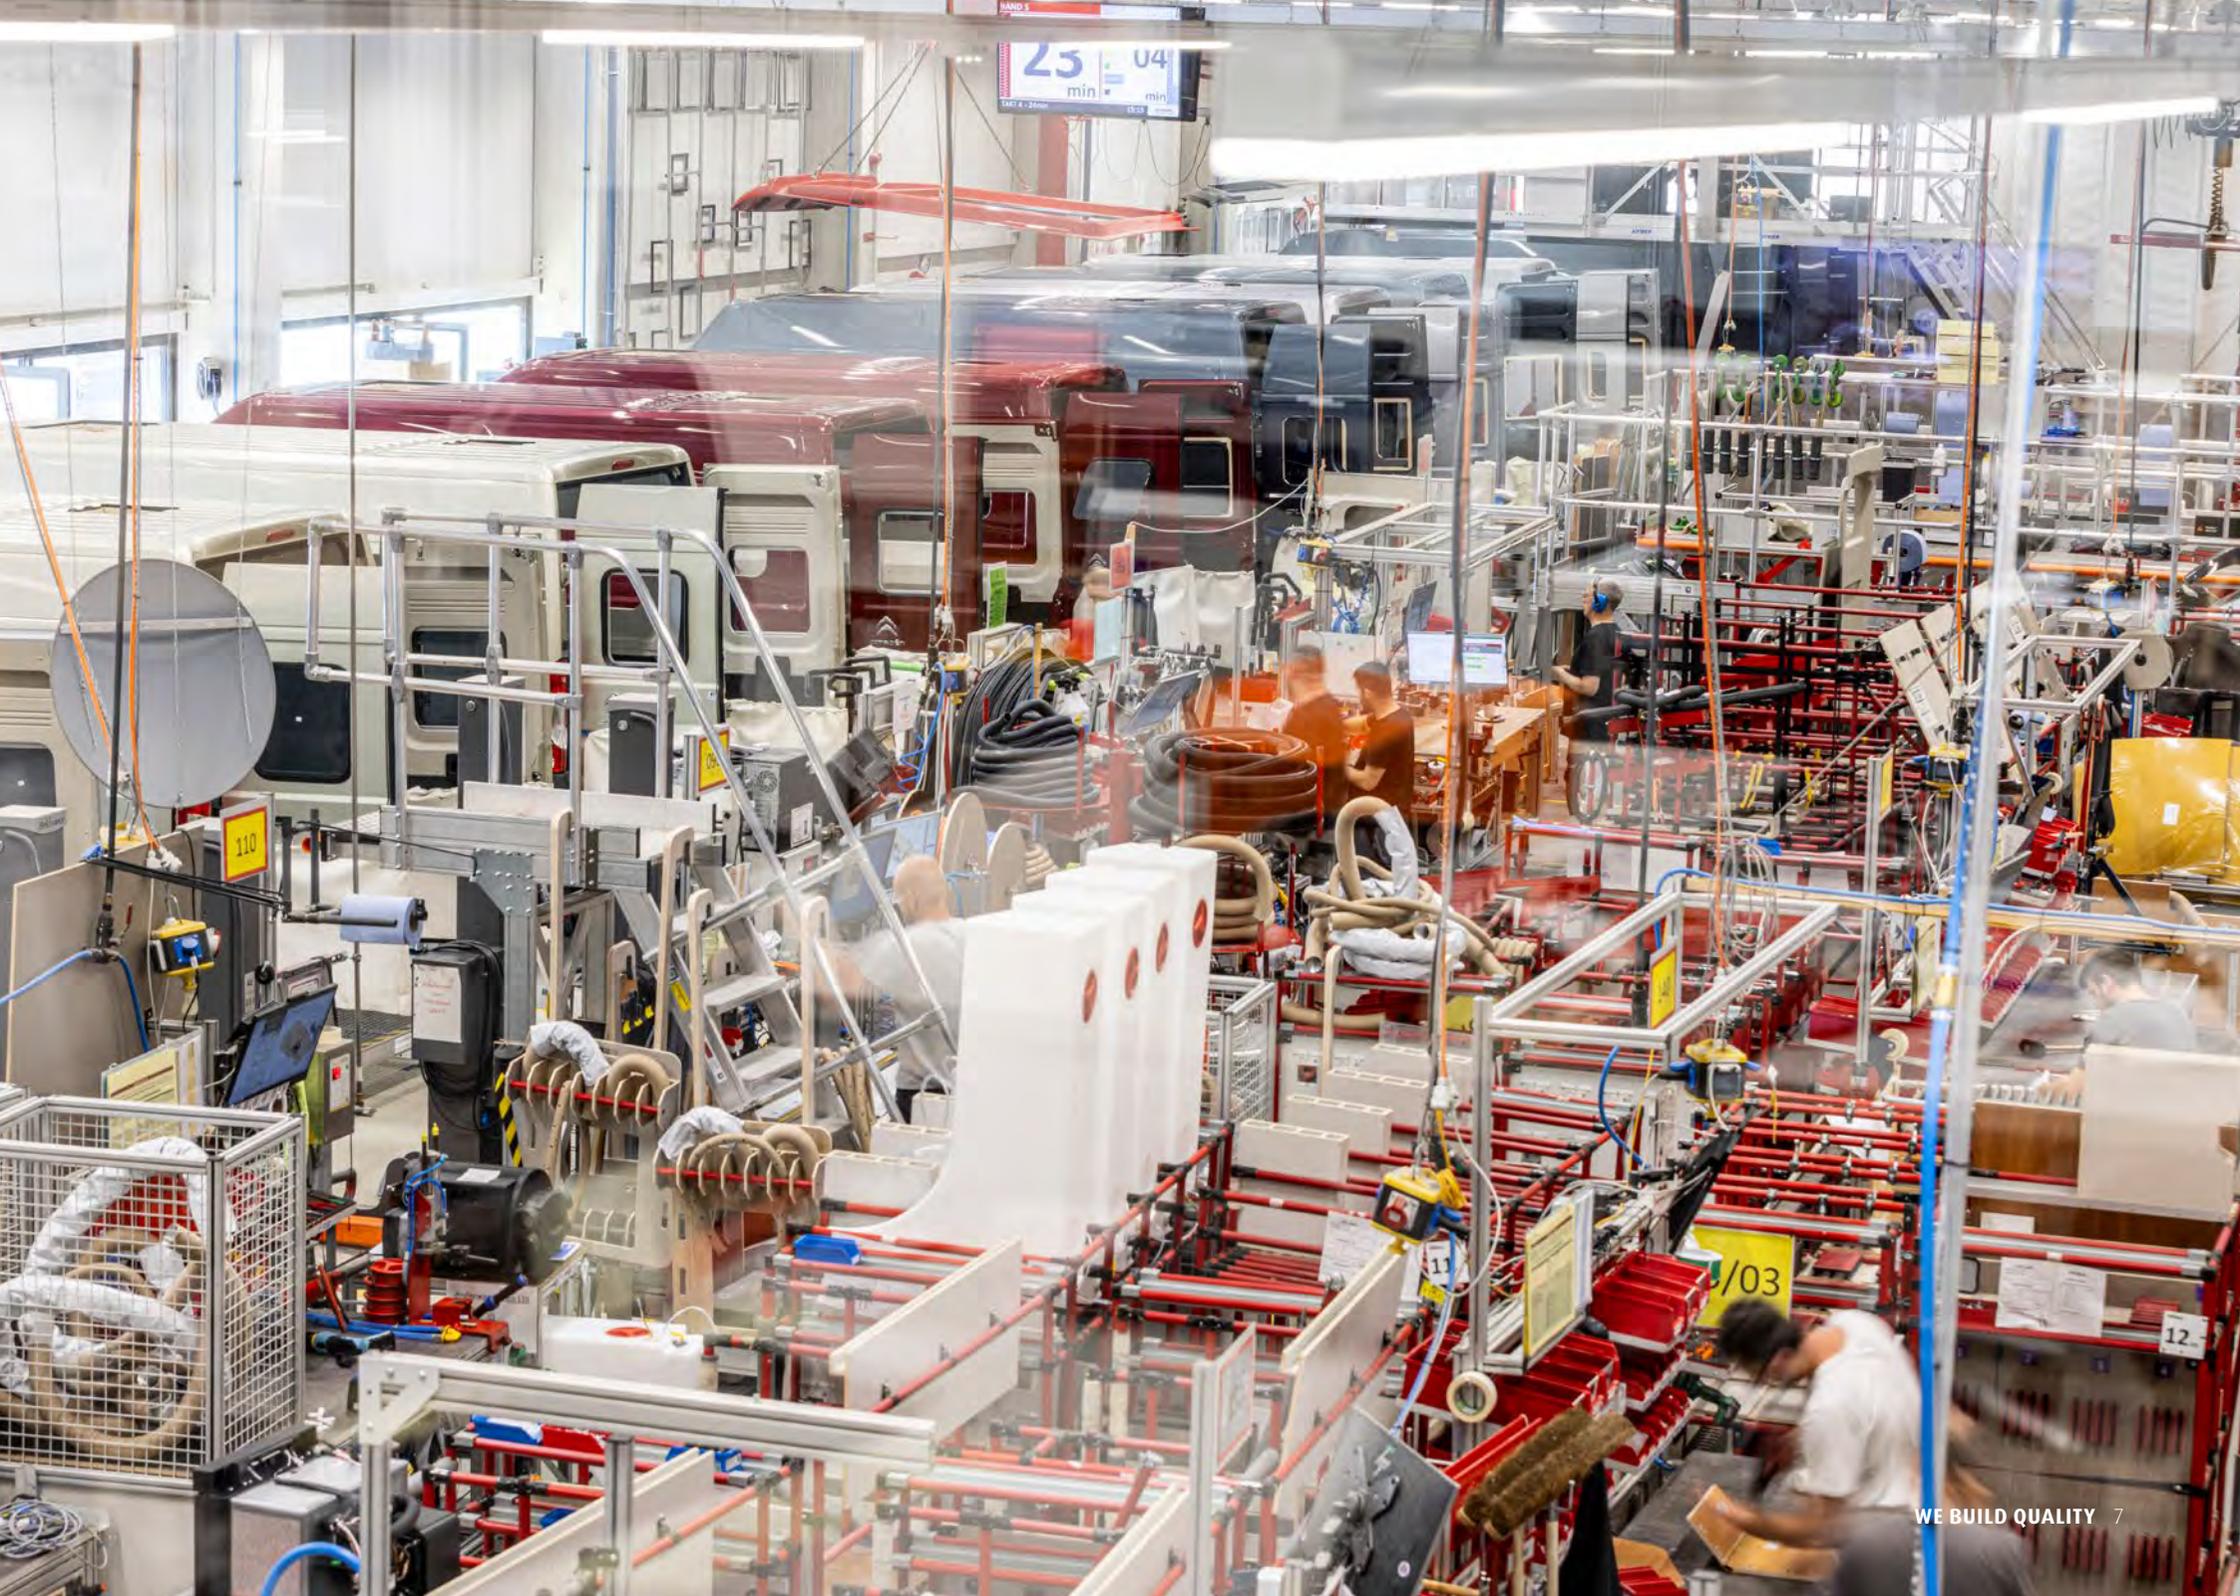

More than 100 caravan and motorhome models for unique holiday experiences on wheels.

# We build quality.

Over the last 17 years, we have produced over 60,000 camper vans that embody the finest Allgäu craftsmanship. Designed by experienced engineers, built by master craftspeople. With sophisticated details and clever solutions that are testimony to our tireless dedication and prove, time and again, that Dethleffs vehicles are built by campers for campers!

# The Dethleffs Globetrail series.

Dethleffs has been in the leisure vehicle business for over 90 years. Over the past two decades, more than 60,000 camper vans were designed, developed and built in Isny alone. The Dethleffs Globetrail is the result of this vast experience. It contains everything a modern camper van needs: thoughtful details, a modern ambience and an extensive standard specification. The series also includes a range of perfectly tailored accessories. Experience freedom, flexibility and comfort with the Globetrail – the Dethleffs among camper vans.

We build camper vans.

- 1 High-quality fabrics**, tasteful colour combinations and high-quality workmanship make the Globetrail a genuine Dethleffs. Flush-fitting windows are included as standard in the Ford-based vehicles.
- 2 Enjoy some (mobile) home cooking.** The kitchen makes optimal use of the available space. Thanks to a door that opens 180°, the large fridge is easily accessible from both outside and inside the vehicle.
- 3 Large compressor fridge** (84 l including 6 l freezer) at an ergonomic, easily accessible height. The kitchen includes an extendable, folding worktop for added convenience.
- 4 Large fridge with drawers** (90 l including 7 l freezer) on the front end of the kitchen unit. This layout also offers an unobstructed line of sight in the living area. The open-plan kitchen offers plenty of storage space with three drawers and a practical apothecary-style drawer.
- The **overhead lockers** provide plenty of space for your equipment.
- 6 Kitchen** with extra large, spacious and handleless drawers that include a central locking system (ambient lighting depends on the floor plan).

## BATHROOMS

# Bathrooms as individual as you are.

Every camper has his or her habits. At Dethleffs, we know this from our own experience. That's why we don't just offer you one bathroom, but rather a selection of bathroom concepts to choose from – depending on the layout. From compact to spacious. From simple to sophisticated.

Just the way you like it.

- 1 Fixed bathroom:** functional bathroom with large shower, storage options and mirror surfaces.
- 2 Stellantis compact bathroom:** extremely spacious thanks to the optimum room layout, plenty of room for showering.
- 3 Ford compact bathroom:** extremely spacious thanks to the optimum room layout, plenty of room for showering.
- 4 Centre bathroom:** dual use of the living room creates space for a large bathroom. With either an attractive fixed sink or a variable swivel sink, depending on the floor plan.

## SLEEPING

# At home on the road.

There is no need to sacrifice comfort while on the road. Thanks to an optimal use of space and premium materials, the feel-good factor is guaranteed on every trip.

- 1 Double bed and oasis of relaxation** in one. Of course, with a real folding slatted frame.
- 2 Large, extremely comfortable transverse bed** with thick mattress. No need to stack the bed bases as they are foldable.
- 3 The standard overhead lockers** above the rear door provide additional storage space.
- 4 The high-quality ergonomic cup springs** adapt to the sleeper's spine in a tailored and precise manner. Naturally, the slatted frame is foldable for easy conversion from bed to storage space.
- 5 Sleep like a log:** the bed surface includes extensions at both ends that create a luxurious sleeping area.

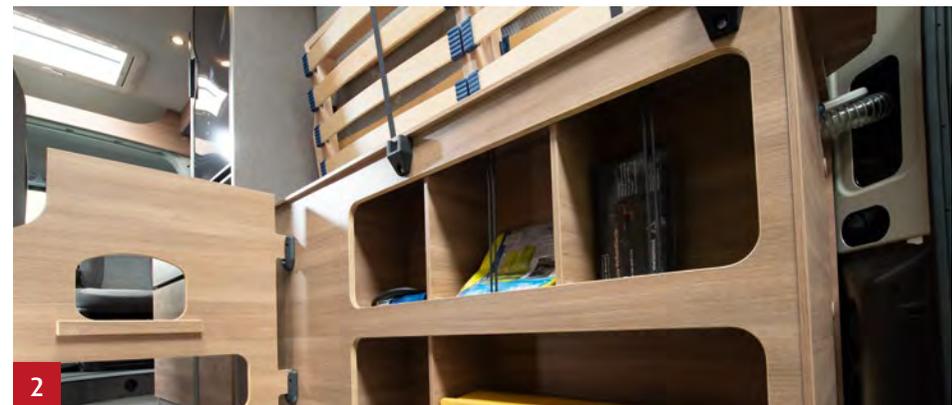

## HIGHLIGHTS

# The details make the difference.

Our 17 years of experience in camper van construction reveal themselves in the myriad tiny details. The Dethleffs engineers know what really matters.

- 1 Standard lashing rings** keep your cargo safe while on the move. If necessary, you can even safely transport a washing machine!
- 2** A practical feature of the Classic product line is the **rear shelf unit**, which ensures that everything you need is immediately to hand on arrival.
- 3** Schuko **sockets** and USB charging ports.
- 4** All manner of cooking utensils can be safely stowed inside the **large, spacious, handleless drawers** with manual central locking system.
- 5** **Capacious:** the various fridge variants have a minimum volume of 84 l with a 3-star freezer.
- 6** There is even room for a **storage compartment** inside the **raised floor**.
- 7** The integrated **wardrobes** help you keep things neat and tidy – and avoid creases in your holiday outfits.
- 8** The **ambient lighting**, which also functions as an entrance light, increases safety and creates a welcoming ambience (depends on the layout).

# Your living room on wheels.

Inside the Globetrail you can count on the usual high quality, cosy ambience and well thought-out living solutions from Dethleffs. After all, our designers live and breathe camping and therefore understand exactly what you need.

- 1 **High-quality fabrics**, tasteful colour combinations and high-quality workmanship make the Globetrail a genuine Dethleffs.
- 2 The half-dinette includes a table extension that can be positioned at **different angles** so that four people can sit comfortably.
- 3 **Large compressor fridge** (84 l including 6 l freezer) at the **front end of the kitchen unit** for optimal access from inside and outside the vehicle.
- 4 The handleless **drawers** offer plenty of storage space and are easy to open from both inside and outside the vehicle.
- 5 The **comfortable work surface** can be extended thanks to the sturdy, fold-out worktop.
- 6 **Ambient lighting** on the overhead lockers and kitchen drawers creates a cosy ambience.

## BATHROOMS

# Three bathroom types – something for everyone.

All bathrooms offer sufficient headroom and a variety of shelves and high-quality fittings. This ensures that everyone can find the right bathroom for their needs – choose from the spacious swivel bathroom, the practical centre bathroom and the luxurious comfort bathroom.

**1 Swivel bathroom:** the spacious bathroom with swivel wall offers extra freedom of movement when showering. The specially shaped swivel wall maximises the available space when showering without taking up space in the bathroom when the sink is in the useable position.

**2 Centre bathroom:** dual use of the living room creates space for a large bathroom. With either an attractive fixed sink or a variable swivel sink, depending on the floor plan.

**3 Comfort bathroom:** improved solution: the spacious bathroom can be converted into a large 87 × 47cm shower area in just a few easy steps for maximum comfort when showering.

## SLEEPING

# Sweet dreams.

There is no need to sacrifice comfort while on the road. A comfortable, spacious bed made of high-quality materials ensures total relaxation.

**1** **Double bed and oasis of relaxation in one.** Of course, with a real folding slatted frame. The overhead lockers include ambient lighting that creates a pleasant mood.

**2** **Large, extremely comfortable transverse bed** with thick mattress. No need to stack the bed bases as they are foldable.

**3** The **seating lounge can be converted** to create an additional berth.

**4** The high-quality ergonomic **cup springs** adapt to the sleeper's spine in a tailored and precise manner. Naturally, the cup-spring sleeping system can be easily folded away – to create storage space or to use the large shower.

**5** **Sleep like a log:** the bed surface includes extensions at both ends that create a luxurious sleeping area.

## HIGHLIGHTS

# Refined to perfection.

Spatial solutions and clever details, developed by campers for campers and integrated into each floor plan with great attention to detail. The hallmark of every variant: maximum practicality for a relaxed camping holiday.

1 The **large awning**, which is included in this equipment line, creates a shady spot outside the vehicle.

2 The **practical pull-out** makes changing gas bottles a back-friendly and easy process (option, depending on the layout).

3 **Remote display next to the control panel.** The CP Plus included in this equipment line indicates when the gas bottle is empty. You can also switch from summer to winter operation.

4 **Total sleeping comfort** thanks to the bed extension in all layouts as well as the cup-plate sleeping system (Ford).

5 **Capacious:** all fridges, regardless of whether they are installed at the front or at an ergonomic height, have a volume of 84 litres including the freezer.

6 **Extremely spacious** thanks to the exclusive and modern front extension, which extends from the seating lounge into the cab. Standard for Ford, optional for Fiat / Citroën, includes panoramic window.

7 Even better: **the integrated spotlights** can be switched on and off by touch (depending on the layout).

8 Chic and modern – the **handleless overhead lockers** in the Globetrail feature bevelled edges and ambient lighting.

9 **Stepless living room floor** with no tripping hazards and plenty of storage space inside the double floor. All cables and pipes are housed inside the double floor and are thus also protected from the cold (Ford).

# Our special extras.

Even though the Globetrail comes with an extensive range of equipment, every camping enthusiast has his or her own personal preferences.

With our wide range of optional equipment and a carefully matched and tested range of original accessories, Dethleffs offers many useful and comfort-enhancing accessories that let you get even more from your Globetrail.

Developed and approved by our engineers and staff. By campers for campers.

***Dethleffs***

# The family-friendly Globetrail.

Our innovative folding roof lets you extend the available living space by creating an additional bedroom on the upper level – with sensational panoramic views.

- 1 A different kind of panorama. The openable **panoramic window** provides a loft-like ambience with more daylight. The matching roof lining with all-round LED lighting creates a homely atmosphere even after sunset.
- 2 The **canvas walls in the folding roof** allow different degrees of darkening – from completely closed to an open “convertible” version (see Fig. 4).

- 3 Enjoy a **clear view of the starry sky** while staying fully protected – thanks to a fine-mesh mosquito net that also lets you feel the cool evening air.

- 4 **Sleep even better!** The high-quality, 6-cm-thick cold foam mattress comes in a standard size of 209×143 cm. The base consists of optimally matched real wood slats which also provide ventilation for the mattress.

## It's a perfect fit!

For Globetrail models on a Fiat/Citroën chassis.

- 1 Black gloss 18" **alloy wheels** lend your Globetrail an individual touch.
- 2 The made-to-measure **driver's cabin carpet** directly adjoins the standard living area carpet for an even cosier ambience in your vehicle.
- 3 The **dashboard cover** with insulating function protects the dashboard from harmful UV radiation in summer and retains the heat in winter.
- 4 **Thermal insulation** for the rear doors. Keeps the heat in and the cold out. Or vice versa. The folding function allows free access to the rear garage at all times.
- 5 **Multifunctional holder** including suction cup holder and table leg extension – lets you use the table outdoors (e.g. as a bar). It can also be used inside the vehicle as a towel holder or clothes rail.
- 6 **Mosquito net** for the rear doors. Provides lasting protection against uninvited visitors.
- 7 **Shower grid** in matt black for the Globetrail 600 DS/600 DK and 640 ES/640 EK.
- 8 **Sunblind** for the front and side windows.
- 9 **Dethleffs Multimedia Package**: ZENEZ Z-E3766EHG navigation device including navigation software for camper vans and matching reversing camera including LED light and motion detector.

You can find more accessories for your Globetrail online at [www.dethleffs-original-zubehoer.com](http://www.dethleffs-original-zubehoer.com)

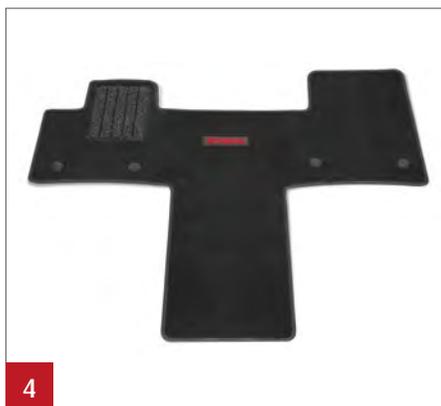

# It's a perfect fit!

For Globetrail models on a Ford chassis.

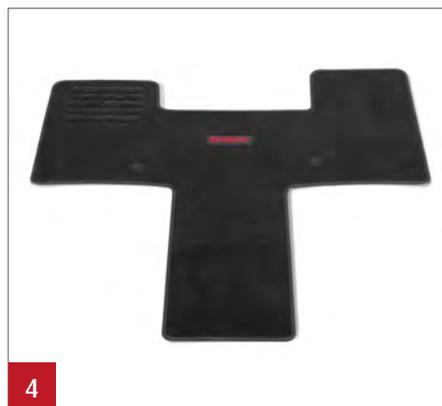

- 1 Safe:** if your valuables are well protected, a visit to the beach becomes even more relaxing.
- 2 Thermal insulation** for the rear doors. Keeps the heat in and the cold out. Or vice versa. The folding function allows free access to the rear garage at all times.
- 3 Mosquito net for the side sliding door** provides reliable protection against mosquitoes and other insects.
- 4 The driver's cabin carpet** for vehicles with manual or automatic transmission is tailor-made and creates a pleasant, homely atmosphere.
- 5 Additional children's bed** for the cab: this travel cot is quick to set up, takes up little space and is ideal for small children.
- 6 "Totally black" bike rack** for attachment to the rear doors; holds two bicycles; an extension kit for a third bike is optionally available.
- 7 Shower head holder for outdoor shower:** simply hook in the shower hose and you're done.
- 8 Naviceiver ZENEC Z-N965:** the Zenec navigation system, including Dethleffs start screen, brings the most advanced navigation and innovative multimedia to your motorhome.
